The 31st Annual MATH MINI-BOWL will be held at the Calaveras River Academy/Mountain Oaks School Gymnasium on **Thursday, May 26, 2011** from 9:00 A.M. until 1:00 P.M. (see the attached program for the schedule of events). This competition is an opportunity for students to meet, compete, and have fun in a friendly, positive atmosphere with other students from throughout Calaveras County.

Each school is invited to send up to ten 5th graders and ten 6th graders, with the exception of the middle schools which may send up to 15 6th graders.

The students will be competing in three events:

The Blitz - an individual competition;
The Huddle - a pairs competition; and
The Bomb - a five-member team event.

As last year, we will do our best to allow a snack break mid morning. Your students may bring their own snack if they wish. However, if we are running short on time we may have to eliminate the snack break.

We are also including a copy of the scantron forms that are used for the Blitz. Please help your students become familiar with completing them properly to ensure that all of their answers are scored correctly.

Awards will be awarded immediately following the competition. A picnic lunch will be provided.

Please note: Again this year, we received the grant from the *Teichert Foundation* sponsoring our 2011 student events, so as long as we are awarded this grant, we will not be asking for contributions of \$75.00 to help defray the cost of the awards and lunches.

Please return the attached form, even if you do not plan to participate, to Sharon Miller at the Calaveras County Office of Education no later than Friday, May 11, 2011.
