

## **MAY 15<sup>TH</sup>, 2018**

# **SUTTER'S FORT**

### **Environmental Living Program**

This popular program allows students to spend 24 hours (including overnight!) at Sutter's Fort State Historic Park. While here, they portray 1840's characters and partake in period activities, such as carpentry, baking and candle-making.

There will be a \$20 deposit per participant for this field trip to cover expenses of associated with this event. The deposit is non-refundable. Please make checks out to Mountain Oaks. Participating in the car wash will be an opportunity to possibly help offset some of these costs.

Parents must be in attendance with their children at this event. Mentor teachers will not be available to supervise students.
